

# Add a new trend group chart

Fluorine+

On the Observer Overview page, you can easily add a new trend group chart to customize your Observer experience.

## Prerequisites

---

 In order to add a new trend group chart, you will first need to [create a custom trend group](#) on the [Problems](#) page.

## Procedure

---

To add a new trend group chart to your Overview page, follow these steps:

1. [Log into Observer](#) to access the [Overview](#) page.
2. On the right-hand side of the page, click the  icon to display a list of your trend groups.
3. On the left-hand side of the page, select the trend group you want to add from the list. By default, the newly added trend group will appear in the uppermost left-hand position of your [Overview](#) page.
