

Configure alert notification emails

Fluorine

Procedure

To specify the type of [daily digest alert notification emails](#) you want to receive from Observer:

1. [Log into Observer](#) and click  >  to access the [Settings](#) page.
2. At the top of the page, choose the **Notifications** tab.
3. In the box labeled **Enter email addresses**, type an email address you want Observer to send daily digest notification emails to. Press **Space** or **Enter** to add multiple email addresses for each alert category.
4. Check the box next to the alert categories you want alert notification emails for.
