

# Revert trend groups to defaults

Fluorine

If you no longer need your custom trend groups in Observer, you can restore Observer trend groups to the defaults that were loaded upon [installing Observer](#).

## Procedure

**⚠ Doing this will delete all custom trend groups.**

To revert all Observer trend groups to the default groups, follow these steps:

1. Log into Observer and click  to navigate to the [Settings](#) page. Then, click the **Trend Groups** tab.
2. At the top of the page, choose the **Trend Groups** tab.
3. Click the **Revert Trend Groups** button. Then, click **OK** to revert all trend groups to defaults or **Cancel** to quit this action.
